## READ CHAPTER 8

6. How many times in chapter 8 is the phrase "Lord of Hosts" (Lord of Armies NASB) used?

*The Lord of Hosts, which is Hebrew for Jehovah Saboath, is used to unite two ideas; Jehovah is Lord of warrior hosts and King of Glory. It is used as a manifestation of power. In the Old Testament this name is revealed in the time of Israel's need. The prophets, in introducing approaching national judgment, use it many times: Jeremiah- 80 times, Haggai-14 times, Zechariah-50 times and Malachi-25 times. This is the distinctive name of Deity for Israel's help and comfort in the time of her division and failure. Scofield Study Bible*
